## Buick's New Century Hardtop for 1957

The ray lines of Buick's dream car styling for 1957 lend themselves to the grace and beauty of the new Century. Long recognized as one of the outstanding performers on the highway, the slimline Century has been given new agility in the form of a 360-horsepower V-8 engine with 194-cu. in. displacement. Bigger panoramic windshield, three-plate rear window, new front and rear design and completely new chassis are featured on the new shoulder-high Century.

### BPW Club Reports Heard At Meeting

The local Business and Professional Women's Club met Monday night for its regular business meeting with Mrs. Uccia Caruthers presiding, and giving a report of National Business Women's Week.

A suggestion was made by Miss Sara Lee Creech to have Rep. Emmett Roberts assist the club to draft a procedure to follow in promoting legislation

which will help women receive equal pay for equal service, a project being sponsored by National B.P.W. Clubs.

Announcement was made of the District meeting to be held Nov. 18 at the Driftwood Club, Boca Raton at 10 a. m. The guest speaker will be Mrs. Maxine McIntyre, vice president of the state. Mrs. Edna Von Acker, vice-chairman of the Southeast Regional BPW will conduct the workshop.

Letters were read from Miss Tatum, Boat-A-Cade Queen, thanking the club for flowers presented her and also from Anne Bressner for the Ramie cloth presented her at the Boats Dinner in Lake Worth as a gift from the local club.

The resignation of Mrs. Gladys Williams as finance chairman was accepted and Mrs. Corrine Pittsford was appointed to fill this vacancy. Mrs. Paul Jones was unanimously accepted into the club as a new member.

Mrs. Francis Cross reported on the beauty culture course sponsored by the local BPWC and given by the Palm Beach School of Modeling with Mrs. Vera Bruce as instructor, has been organized and will be held in Belle Glade in a short time.

The next meeting will be held at the Country Club on Monday, Nov. 19 and the program will be on "Legislation."

### Girl Scout News

A Halloween party was enjoyed by 3rd grade Brownies at the home of their leader, Mrs. George LeGott last Friday afternoon from 4 to 5:30 p. m.

A short business meeting followed and election of officers was held for the month. Janice White was elected leader; Debbie Jones, Sec., Cheryl Stone,

treasurer; assistant treasurer, Millie Kirchman.

The group meet each Friday afternoon at 2:30 to 5:00 p. m. at the Girl Scout Hut. Next week the group will start a ceramic class under the instruction of Mrs. Bert Hopson. Mrs. Sylvia Jones is assisting Mrs. LeGott this month.

### Garden Study Club Workshop Today

The Belle Glade Garden Study Club held its regular business meeting in the park shelter Monday morning, with Mrs. Beulah Stone presiding.

Announcement was made of a work shop to be held Friday morning at the home of Mrs. Carl Ingmanston. The group will work on Thanksgiving arrangements.

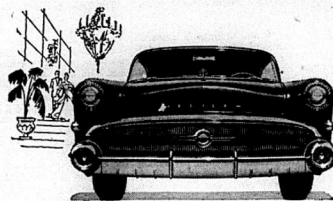

Others present at the meeting were Mrs. Frank L. Anderson, Mrs. Bert Hopson, Mrs. Louis Kirchman, Mrs. Janis Harris, Mrs. Carl Ingmanston and Mrs. Ray Roth.

### Welcome Station Lists Increasing Numbers

Plans to move the county's Welcome Station from the ocean side at June Beach to an island near Jupiter were disclosed this week by the County Commission.

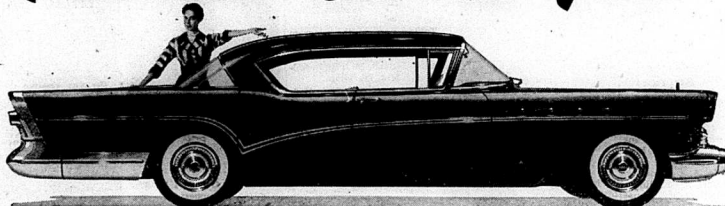

Commissioner Kenneth Foster said that on completion of a project four lanes U. S. 1 between Jupiter and the Seminole Golf Club, that the welcome house will be moved to an island south of Jupiter and near a new bridge being built in connection with the road project.

Charles Hays, West Palm Beach Chamber of Commerce manager, said some 70,000 visitors have stopped at the Welcome Station since the first of January — "a terrific increase" over last year, he said.

We got it!*

# Newest Buick Yet

**YOU** know all that talk you've been hearing about the 1957 new car models being really new?

Well, in the case of the 1957 Buicks it's true — gospel true.

We mean these 1957 Buicks are new in the precise and literal sense.

We mean new from the ground up, and from gleaming grille to sassy tailfins.

We mean new lowness, new styling, new bodies, new windshields, new controls, new safety-added instrument panels, new safety-steering wheels, new seating, new fabrics, new colors.

We mean new front end, new rear end, new frame, new braking, new steering, new handling, new riding, new roadability — a whole new chassis of greater solidity and safety.

We mean V-8 engines new from the crankshaft up — engines that deliver an all-time high in horsepower and compression from their 364-cubic-inch displacement.

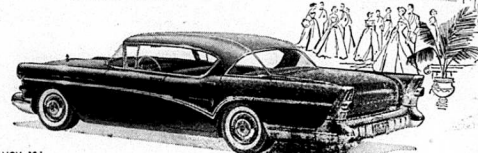

And we mean, most of all, an advanced new Variable Pitch Dynaflo® — so instant in the starting range — so utterly smooth and so totally full-range in "Drive" — that your need for "Low" is practically eliminated.

So come take in these low-silhouettes, these boldly beautiful, these instantly obedient Buicks for 1957.

Then you'll see why you can't blame us for being so fired up about it all — and how catching this excitement can be.

*"New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special."*

## 40 Million Enrolled in Schools of America

Now that all the students are back in school the rose count shows that 40,000,000 students, or one in every four Americans is enrolled in grade school, high school or college. In a copyrighted article, the editors of *Changing Times*, The Kiplinger Magazine, report that the net gain in students this year was 1,200,000, or slightly less than anticipated.

The record school construction program still has not produced enough classrooms to hold all the students, but progress is being made. Two hundred and fifty thousand new classrooms were needed, and 67,000 have been built. More new schoolrooms are available than ever before, but half-day sessions and crowded classes are going to be common this year.

A bright note about 96,000 of last June's college graduates were trained to be teachers. Seven out of ten of these graduates will actually end up instructing in grade and high schools.

Colleges too are unhappy. Not only are there more people of college age coming along, but more of them get college education — about 30% now as against 14% in 1913-14.

Reports from different committee chairmen were heard at the business meeting presided over by Mrs. Jack Little, chairman.

## WMU Circles Study World Missions

The 114 Darden Circle met Tuesday morning at the home of Mrs. W. T. Forsee for its regular meeting with a covered dish luncheon at noon.

Mrs. Wallace Lutz was in charge of the program which was based on Japan and how prayer can help in world conditions.

Others present were Mrs. C. T. Pennington, Mrs. R. S. Kent, Mrs. Amy Strickland, Mrs. Miss Byrom, Mrs. E. D. Humphries, Mrs. Sam Knight, and Mrs. U. W. Malcolm and Mrs. Marvin Unwin were visitors. Mrs. Louise Brannon was welcomed as a new member.

The Jane Evans Circle met at the home of Mrs. Edwin Rice and following a brief business meeting an interesting program was presented on "What Can I Do For World's Mission Enterprise."

Taking part on the program were Mrs. Robert Matthews, Mrs. Lorie Pessenden, Mrs. Frances Fussell, Mrs. Bunn McCall and Mrs. Markham.

Sixteen members were present. The Hannah Scoggins Circle met at the home of Mrs. Janice Harris, with Miss Gertrude Kiefer presented the program on "World Missions."

Getting out the vote was the Community Missions project for the month of November. Announcement was made that a joint meeting of all circles will be held Dec. 4th and the study book, "Japan Adventure," will be taken up by Mrs. Edrie Maxwell. Ten members were present and one visitor, Mrs. Madge Taylor, mother of Mrs. Harris.

The Gladys Smith Circle met at the home of Mrs. Francis Edwards with Mrs. Jack Little opening the meeting with prayer.

An interesting program emphasizing what can be accomplished by prayer and the urgency of prayer in world conditions was presented with Mrs. Edwin Groover, Mrs. Rudder and Mrs. Howard taking part. The Bible Verse stressed was 2 Chronicles 7:14.

Reports from different committee chairmen were heard at the business meeting presided over by Mrs. Jack Little, chairman.

Mission Study chairman, Mrs. H. O. Earwood announced the Dec. 4 meeting would be a combination meeting of all circles with the study of the Mission Book in conjunction with the week of Prayer.

Others present were Mrs. Henry Barber, Mrs. N. Q. Geer, Mrs. T. E. Hollingsworth, Mrs. Johnson, Mrs. Rudolph McMillan, Mrs. H. T. Moore, Mrs. Edrie Maxwell, Mrs. W. H. Geckler and a new member, Mrs. Ueba Caruthers.

**Florida Farmers Earn \$4,398 Per Farm In '35**

Florida farmers, growers and ranchers earned a net income of \$4,398 per farm last year, a gain of 16 per cent over the average for the past six years. This per farm figure placed Florida in fourth position among the states and was almost double the national figure, the Florida State Chamber of Commerce stated recently.

Gross income of Florida farmers from sales, home consumption and use and from government payments is reported in last week's business review of the State Chamber's research and industrial division as totaling \$681,500,000 in 1935. This amount is 22 per cent more than the 1949-1954 average.

Balanced against this total is a sum of \$395,200,000 in farm production expenses which has increased at an even greater rate than income: 24 per cent.

The difference, \$286,300,000, represents the total net income of Florida farmers and is up 19 per cent over the average. It is on this figure that the \$4,398 per farm net income is based.

The Lake Shore Bobcats suffered their fourth loss of the season at the hands of the Carver High Eagles.

The Eagles kicked off deep into the territory of the Bobcats. The ball was returned to the 25 yard marker. After picking up six yards on two plays, the Bobcats attempted a quick kick, which backfired. The punt was returned around the left end of the Bobcats for a forty yard sprint, and a TD. The try for extra point was good, and the Eagles led 7-0, after only two minutes of play.

The Bobcats were held for shorts gains after the kickoff. They elected to punt to the Eagles forty yard line. From there the Eagles carried to the left which carried for their second score of the ball game.

The Bobcats were slow in the Eagles forty yard line. From there the Eagles carried to the left which carried for their second score of the ball game.

## NEGRO NEWS

**LAKE SHORE HIGH SCHOOL**  
The Lake Shore High School held its annual Homecoming parade on Thursday, Nov. 1. A very impressive parade was held in the afternoon with many outstanding floats featured. The float presented by the Alumni Association won acclaim as the best float in the parade. The parade was led by the marching band of L.S.H. with the Carver High band assisting. The day was topped off with a football game that night between the Bobcats of Lake Shore High and the Eagles of Carver High. Miss Lake Shore High and her court were presented to the student body and fans during the halftime show. The Lake Shore High Athletic Council.

The LSHAC has opened its drive to complete raising funds for lighting the athletic field. Have you contributed? Perhaps, it was not enough. All citizens must pitch in, and do just a bit more. The job is not completed. It can be done. Won't you please help just a bit more for the sake of our boys and girls? This field is desperately needed by our boys and girls. You will be proud when the final wire is in place and the switch is thrown, lighting the field. You can say, and see something worthwhile that you had a hand in erecting. Come on folks, let's get at it. We can do the job. Time is now, not tomorrow. We need those lights now, today. Won't you please contribute just a bit more? The Lake Shore High Bobcats.

The Lake Shore Bobcats suffered their fourth loss of the season at the hands of the Carver High Eagles.

The Eagles kicked off deep into the territory of the Bobcats. The ball was returned to the 25 yard marker. After picking up six yards on two plays, the Bobcats attempted a quick kick, which backfired. The punt was returned around the left end of the Bobcats for a forty yard sprint, and a TD. The try for extra point was good, and the Eagles led 7-0, after only two minutes of play.

The Bobcats were held for shorts gains after the kickoff. They elected to punt to the Eagles forty yard line. From there the Eagles carried to the left which carried for their second score of the ball game.

The Bobcats were slow in the Eagles forty yard line. From there the Eagles carried to the left which carried for their second score of the ball game.

## Students Urged To Finish High School

Secretary of Labor James P. Mitchell and Acting Secretary of Health, Education, and Welfare, Harold C. Hunt, today joined in the national effort of industrial and educational leaders to urge all young people who have not graduated from high school to return to the classroom this fall.

The two Government officials stressed the value of a high school diploma, and the basic education it represents, to citizens called upon to make important decisions daily in the home, the community, at work, or in the leisure.

Secretary Mitchell said, "Education provides the knowledge and skills which our Nation's expanding work force requires. Those without at least a high school education are finding it increasingly difficult to compete with those who have graduated from high school, particularly in many of the technological fields that are contributing so much to the progress of American industry."

"A high school diploma not only provides easier access to a worthwhile job, but also helps on the road to advancement and higher income," Secretary Mitchell said.

"Students, themselves, know the value of a high school education," Acting Secretary Hunt said.

"More and more young people are staying through graduation, thus providing a firm educational foundation for their future."

"Nevertheless, educators and leaders in all walks of life need to continue to impress upon young people the values of education."

"Young people, in entering the armed services or employment, or in taking on new responsibilities as citizens or parents, can succeed better in their endeavors if they have completed a high school course of study," Acting Secretary Hunt said.

"The expression, 'To earn a living is to learn a living' is very important today. It will be increasingly important in the years ahead."

"To our schools and colleges we must look for the training which will provide the manpower and the brainpower of the future for our Nation for its role in world affairs."

In 1890, men in business of-ficers outnumbered women by 8 to 1 in clerical jobs; today, women outnumber men by 3 to 1, except in government offices, where men still dominate.

Living really begins when we start losing ourselves in other people, and by such losing we extend our lives to a period far longer than normal life expectancy. — Good Business.

## Florida Cattlemen Meet In Ft. Pierce Monday & Tuesday

The West Coast resort city of Ft. Pierce, with its strong agricultural back-country, will host an estimated 250 Florida cattlemen next week when the Florida Cattlemen's Association meets November 13-15 at Shamrock Village.

National and state beef-selling efforts and election of officers will claim the spotlight at the annual convention, which begins with a directors' meeting and a cake decorated in the cowboy theme. Cake, ice cream and punch were served.

Speaking program includes: Cooking school with Augie R. King of National Livestock and Meat Board in charge at the Wednesday morning session; A talk by C. T. "Tad" Sand-

ers of the National Beef Council Thursday morning;

An address by Don C. Collins, president of the American National Cattlemen's Association, during the Thursday morning session.

Election of officers and consideration of resolutions will take place immediately following the noon-day recess on Thursday, November 15.

The Florida Cattlemen's Association consists of more than 40 affiliated local groups, representing 44 of Florida's 67 counties. B. J. Alderman of Grand-in, president of the Florida group, will preside at all sessions.

## Assistant Fire Chief Attends Conference

Some of the nation's and state's sharpest professional "smoke eaters" took part in the two day fire prevention conference held in West Palm Beach Nov. 7-8 under the personal direction of J. Edwin Larson, Florida's fire marshal as well as its treasurer and insurance commissioner.

Assistant Fire Chief Cecil Blair of the local fire department attended the conference, which is the seventh annual affair of its kind and educational advantages accrued from such confabs are credited by the sponsor with having given the state a fire record second to none.

Reports from Municipal,

county and rural district fire fighting authorities were made and profit gained by each other as well as those made by national experts in the fields of prevention and detection.

Panel discussions were heard on prevention of arson; on building fire prevention into newly constructed buildings and on farm fire protection.

Conference keynote was E. Finley Cannon, Gainesville, president of Florida Association of Insurance Agents. Discussions on arson was led by superintendent of the State Fire College, W. H. Barnett of Ocala. Other speakers were William S. Johnson executive vice president of the Jacksonville Chamber of Commerce, Chief Don

Register, Ft. Pierce.

The peculiar fire hazards of restaurants, motels, supermarkets, forests and automobiles were discussed by officials and insurance executives.

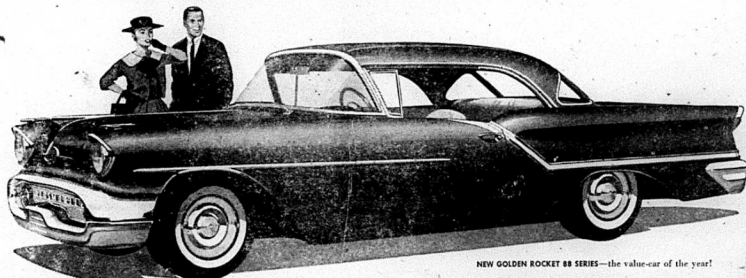

The banquet address was given by Capt. C. C. Woltz, of Washington, D. C. Fire Dept., who spoke on "Some Phases of Public Relations".

"Dream car" design for driving today is offered by Mercury in its completely new line for 1957. Representing one of the most extensive model changes in history, the 1957 Mercury has a unique styling theme highlighted by graceful, sculptured side projectiles topping low rear fenders and terminating in massive V-angle tail-lights. Entirely new, bigger bodies designed especially for Mercury are wider and longer and roomier, giving more passenger comfort. Overall height has been reduced four inches, yet head room has been increased two inches. A softer ride, better handling and roadability result from newly engineered chassis features, which include the industry's first air-cushion rear suspension on many models. A choice of a 255 hp. or 290 hp. V-8 engine is offered in Mercury's 15 new models in Monterey, Montclair and station wagon series. Pictured is the Mercury Montclair four-door sedan.

Pope were winners in the older group.

Among the concessions enjoyed by the children were the fish pond which netted \$18.00; parcel post, \$26.66; Country Store, \$12.20; Fortune Telling Booth, \$2; Cake Walk, \$49.30; Cake and Pie Booth \$18.08; Hayride, \$9.20; tea and coffee booth, \$11; cold drinks \$8.10.

### District Welfare Board Assists 3,917 Persons

Thomas E. Penick, Chairman of District Board 10 of the State Department of Public Welfare, reported that in Palm Beach County 3,917 persons were assisted in the four categories of public assistance for the month of October.

A total of 1,569 persons received Old Age Assistance in the amount of \$72,404.50. 76 persons received Aid to the Blind, totaling \$4,053.00. 551 families, representing 1,752 children, received Aid to Dependent Children in the amount of \$33,920.00. 51 persons received Aid to Disabled in the amount of \$2,574.00.

In addition 107 children received service during the month, 49 of whom were in foster homes. The total State and local cost for these child welfare services was \$2,602.01.

There were 8 adoption petitions studied for the Circuit Judge, Nancy Layfield and Jim Court. These are children placed

in homes independent of service through a licensed child placement agency, and the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is also represented on the District 10 Board by Mrs. Doris Sasser, Pahokee; Mrs. Muriel Hirsch Pick, Palm Beach; Mrs. Helen R. Tedder and Mrs. Helen D. Woodward, West Palm Beach.

### Seeing Eye Dogs Are Allowed In Restaurants

At a recent meeting of the State Board of Health, a revision was made in Chapter IX of the State Sanitary Code, which provides for the permitting of Seeing Eye dogs in Commercial food service establishments.

Who says dream cars never come true?

# Dynamite from Detroit

Coming! America's first production dream car—  
it will influence the shape of cars for years to come.

The Detroit rule was to introduce new features gradually, to make little changes each year. Sometimes a new grille, an engine improvement, or new colors and trim.

We broke that rule. In fact, we broke all the rules. This is dynamite!

For you are not the only one who has dreamed of a totally modern car, a car that has everything you find at automobile shows, in illustrations, and in custom-built experimental cars.

Detroit has had that dream, too. And that's why the 1957 Mercury is the car that has honestly excited the most car-jaded, the most sophisticated of Detroit's automotive experts.

When you see the new 1957 Mercury, you'll see America's first full-production dream car—a car that

will influence the shape of cars for years to come.

You'll see a dream car you can own and drive—a car that has far more than startling years-ahead beauty.

THE BIG M for '57 boasts dream-car features never before found outside a designer's dreambook: a Key-board Control that makes ordinary push-button driving old-fashioned; an exclusive Floating Ride with a revolutionary new cushioning action you have to feel to believe. There are Mercury "firsts" everywhere you look. A Power-Booster Engine Fan in the Montclair series that saves horsepower other cars waste. And many more Mercury exclusives.

You'll see THE BIG M—the new Mercury for 1957—soon. You'll see it. You'll drive it. The first dream car that can be yours. The dynamite is on its way from Detroit to your dealer's—now!

STRAIGHT OUT OF TOMORROW

THE BIG M for '57 with DREAM-CAR DESIGN

See it at your MERCURY dealer's on November 12th.
